Relevant Experience

Nick Doggett is a specialist on all matters relating to the Historic Built Environment, particularly on planning issues relating to listed buildings and conservation areas. He has extensive experience of the listed building consent process, Conservation Area Appraisals and historic building assessments. He frequently attends hearings and public inquiries and often addresses planning committees. He has previously acted as a consultant to English Heritage on applications for listing and de-listing.

Project Examples

Home Office – advice on the heritage implications of the conversion of HMS Daedalus, Lee-on-Solent to Accommodation Centre use.
